

SAI PRATHAM.H

DATA SCIENCE ENGINEERING STUDENT | EXPECTED GRADUATION 2029

Ballari, India | +91 8310702395 | saipratham.h@gmail.com

GitHub: SAIPRATHAM-DS | LinkedIn: SAI PRATHAM.H

PROFILE

Final-year Data Science engineering student with hands-on experience building full-stack applications and applied ML/NLP features. Developed civic technology, student well-being, cloud booking, and analytics projects across frontend, backend, and AI integrations.

EDUCATION

B.E. in Data Science, Ballari Institute of Technology and Management | 2025-2029(pursuing) | CGPA: 7.50

Pre-University, VIGNAAN PU College | 2025 | 66%

High School, DAV PUBLIC School | 2022 | 56%

PROJECTS

Smart Ballari | *Node.js, MongoDB, Firebase, Three.js, AR.js, Leaflet.js, Hugging Face, Gemini AI*

- Built a full-stack civic platform spanning frontend, backend, and AI/AR integrations.
- Created an AI grievance classifier and a GPS-enabled AR heritage explorer for Hampi and Ballari Fort.

Digital Mental Health Support System | *React, Node.js, Express, Firebase Auth, Gemini/OpenAI APIs*

- Developed multilingual emotional support, mood tracking, journaling, sleep tools, and dream logging.
- Added WHO-5, PHQ-9, and GAD-7 assessments, dashboards, counselling access, and emergency support.

Movie Magic Ticket Booking | *Python, Flask, AWS EC2, DynamoDB, AWS SNS*

- Built and deployed a cloud booking app with authentication, live seat availability, seat selection, and email confirmations.

Crime Rate in India Dashboard | *Power BI, Power Query*

- Prepared and visualized state-level crime trends in an interactive dashboard with filters.

TECHNICAL SKILLS

Languages: Python, Java, C++, JavaScript, HTML, CSS, R

Frameworks and APIs: React.js, Node.js, Express.js, Spring, Spring Boot, Tailwind CSS, REST APIs, JWT

Data and ML: Machine learning, NLP, TF-IDF, logistic regression, Pandas, NumPy, data visualization

Databases and tools: MySQL, MongoDB, NoSQL, Git, GitHub, AWS, Power BI, Postman, Maven, JUnit, JMeter

Core concepts: DSA, OOP, DBMS, microservices, API gateway, service discovery

CERTIFICATIONS AND STRENGTHS

Certifications: EF SET English Certificate, B2 Upper Intermediate (Mar 2025); AWS Cloud Practitioner Badge; Salesforce Trailhead Badge

Strengths: Adaptable, quick learner, effective communicator, team player, problem solving
